

## **International Language Day 2011**

### **For Immediate Release**

**April 15, 2011** - Burlington, NJ – Doane Academy celebrates world culture with *International Language Day*.

The day-long, all-school affair will feature ethnic cuisine, student dance and poetry performances, a live Latin band and presentations by Doane parents from Greece, Haiti, India and Puerto Rico. Doane Academy students will be exposed to the history, culture, language and music of people from all around the world (not to mention the food!).

“We are excited to celebrate this event at Doane Academy and expose our students to other cultures so they come to respect and love them,” says Spanish teacher Mrs. Evelyn Montalbano.

*International Language Day* is yet another way Doane Academy helps prepare students to thrive and contribute on a global stage.
